CENTRAL INTELLIGENCE AGENCY

Honorable Bella S. Abzug  
House of Representatives  
Washington, D.C. 20515

Dear Ms. Abzug:

This is in response to your letter of January 29 in which you request, pursuant to the Freedom of Information Act, a copy of the report of the Select Committee on Intelligence of the House of Representatives and any drafts, non-final, interim, or preliminary versions of such report which may have been transmitted to this Agency.

As you are aware, the Select Committee on Intelligence of the House of Representatives prepared a report based on their hearings and investigations regarding intelligence activities conducted by the United States. A copy of this report was transmitted in draft to this Agency for comment. Although a copy was retained by this Agency, the report remains under the control of the House of Representatives.

The draft report as received from the Select Committee on Intelligence of the House of Representatives is considered to be the property of the Committee. This Agency is, therefore, precluded from freely disposing of the report.

In view of the above, it has been determined that the Central Intelligence Agency does not exercise the requisite legal control of the documents you requested for the purposes of making a determination regarding their release under the Freedom of Information Act. The House of Representatives has ruled on the disposition of the Committee's report, and the CIA must be governed by that decision.

Furthermore, please be advised that the copy of the draft report retained by this Agency is properly classified Top Secret pursuant to Executive Order 11652; that the report contains information pertaining to intelligence sources and methods which the Director of Central Intelligence has the statutory responsibility to protect; and, finally, that the records you request, if they were to be considered Agency records under our control, would not only be covered

by exemptions 1 and 3 of the Freedom of Information Act, but may also be subject to other exemptions, such as exemption 5 of the Act, since they are part of a critical governmental deliberative process by elements of the government which can separately protect that process through recognized privileges.

In the event that you are dissatisfied with the action on your request, you may appeal to the Central Intelligence Agency Information Review Committee within 30 days pursuant to section 1900.51 of Chapter XIX, Title 32 of the Code of Federal Regulations as amended.

Sincerely,

Gene F. Wilson  
Information and Privacy Coordinator
